We're a new organisation aiming to improve student housing in Sheffield. By buying houses together, we believe that we can:

- Bring Rents Down
- Create Great Houses
- Create a Vibrant Community
- Give Control over housing to Students

There are so many problems with renting as a Student right now, from high rents to badly maintained houses. By owning houses together we can provide cheaper, better quality housing that doesn't take advantage of students. We need you to get involved.

Find us on Facebook for more information!

We're having a launch party!

23rd of Nov at 7pm in the university arms, come along for more info, music and a co-op film!
